

WANTED

Platanthera grandiflora

WANTED ALIVE AND HEALTHY

AKA: Large Purple Fringed Orchid

Habitat: This beautiful flower has been reported in neighboring counties and may be lurking in the forest and road sides of Bath. Easily confused with Small Purple Fringed Orchid and Purple Fringeless orchid. Blooms from mid-June to mid-July. Look for this flower in wet woodlands, road and field edges and bogs

WARNING: Approach this plant with caution. Enjoy and photograph but please do not pick, transplant or disturb this plant. Report location to U.S. Forest Service, The Virginia Heritage Program or www.bathcounty.org.
